

July News

Fridays are for Framing I am back in a gallery!...on Fridays anyway...in the very new and innovative Chambers Arts Gallery. It is owned by lovely artist, Lynda Chambers, and is located in Ashworth Village in downtown Cary. It is an interactive arts studio that is all about helping people explore, create and network. It offers art classes for children and adults, events for musicians, writers, food and wine lovers and you! Check their website www.chambersarts.com for information on their grand opening celebration on July 29th.

I am the framer on call and you can meet with me for framing at the gallery on Fridays from 11 to 5 or you can make an appointment for me to visit you at your house at another time.

“Have frames will travel” means I will visit you for a free framing consultation and free delivery when it is done. Call, email or visit me at the gallery!
