

June News

Thinking inside the box Last month we explored thinking *outside* the box. This month let's think *inside* the box.....the shadow box! Here is an example of one with a customer's broken floor tile from a church in Stategurg, S.C. that dates back to 1850, and another one with arrow heads and spear heads found on a family farm in Sanford, N.C. Both were saved for nostalgia and for an interesting story to share with others. Better on the wall than in a drawer!
