

November News

Thanksgiving is almost here!

My thanks would be to all of you for being wonderful customers over the years. I have been so happy to continue operating my framing business from my home and visiting you at yours.

This special mat cut was done to show the title while not showing too much of the white border. The picture is of Riva Ridge and Secretariat and belongs to Ginny Brown.

“Have frames will travel” means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Fridays at Chambers Arts Gallery in Cary at Ashworths Village.
