## Happy New Year!!

For something **new** use one picture as a mat and another as the main subject. Here a snow picture is the mat and our friends playing in the snow is the subject, depicting the 2010 holiday.

Next, an outdated poster is the mat with a new poster as the subject. Great fun for vacation pictures, too!

Remember I offer a free “house call” for consultation and delivery. I call it **“Have frames, will travel.”** Call or email me today to learn more.
