

NOVEMBER NEWS

Thinking of giving a framing gift for the holidays? Be sure to put your order in early to beat the rush. Gift certificates for framing and for art classes are available. Please let me know how I can help you!

Sometimes a picture has an edge that you want to show like this deckle edged watercolor batik. In this case instead of putting the mat on top of the picture we mount the picture on top of a mat and leave space around it with the second mat. This is called “floating”.

Hummingbird Watercolor Batik done by Marge Hogan in our October class.

Remember I offer a free “house call” for consultation and delivery or you can come to my workshop and pick out your framing and opt for free delivery. I call it “Have frames, will travel”.
