

HAPPY OCTOBER!

Eye candy: This is a frame job I did for a good and gracious customer in Cary. The two canvases were stretched over a stretcher strip frame in the “gallery wrap” style. That means the painting continues around the side of the piece so that it doesn’t require a frame on the outside. Just another way to hang pictures!

Remember you can contact me anytime for a visit to my home workshop or a **free** house call in your neighborhood. Please visit the website www.TheNatureOfArtFrameShop.com for directions to my new place or call me at (919) 553-5633 for more information.
