

Surprising Wedding Portrait...April News

Here is a surprising wedding portrait for Emily and Nick Dipietro that we framed in a very simple way to compliment the pure nature of the artwork. Isn't it a fun portrait?!

Herbfest is May 3rd at the **Paige Walker Hotel in Cary**. The Nature of Art will have a booth there with Just A Tish jewelry. Come and see our **Deva Design** cards, seed packs, prints, mats and frames. We will also have photo mats that are a fun and surprising way to frame photographs. Hope you can come!
