

## Fairy Houses ☐ April News

I have a whole new crop of fairy houses to show you! You can see them pictured below and in person at **Herbfest**, a plant and craft fair at the Page-Walker Arts and History Center in downtown Cary held **Saturday, May 5th**. I will also **have** prayer flags and plant spirit cards (individuals and sets). Sharing the booth with me will be Just a Tish stone jewelry and tie dye scarfs along with Julie Nauman with flower sack dish towels with herbal images and organic sugar scrubs in herbal scents. **Come visit!** We would love to see you there.

The houses were made from river birch trees in our yard, natural materials and my mom's old jewelry. This is a small sampling. I have 18 of them in different shapes and sizes.

**Have frames, will travel** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5633** or [info@TheNatureOfArtFrameShop.com](mailto:info@TheNatureOfArtFrameShop.com) for an appointment. I am looking forward to seeing you soon.
