

## AWARD FRAMING – AUGUST NEWS

Eddie Sykes of Knightdale received the American Legion School Award for courage, honor, leadership, patriotism, scholarship, and service. It was certainly something his family wanted to preserve by framing. We found that a sophisticated gold frame with a navy blue mat to match the medal made all of the components stand out very well. The panel for the medal is dropped back to allow room for the depth of the medal without doing a shadow box. Congratulations, Eddie!

**HAVE AN ADVENTURE!** Allow me to be your guide in designing your home or garden with the help of your location angels. A location angel cares for a place just as a guardian angel cares for a person. I use divining rods to interpret the advice of the angel in creating the look and feeling that you want. I have been doing this for 25 years and it is always helpful, fun, and surprising. I call it Designing by Divining. Thank you for being my customers and my friends. Please let me know if I can help you in any way.
