

Beach Memories – August News

How many times have you picked up shells on the beach and then forgotten about them when you returned home? I know I keep finding them in drawers and boxes myself. One great way to preserve them and the memories that go with them is to frame them in a shadow box. My friend, Brigitte, who lives in (Cary) did just that with the shells she collected on Sanibel Island, Florida during one unforgettable vacation with her boyfriend, mother, aunt and uncle. She decided to frame them without glass because when closed up, they began to smell slightly fishy even though she had cleaned them several times. They are very striking on a gray/brown linen mat with a deep, white frame that complements her room décor. Thank you, Brigitte!

“Have frames, will travel!” is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon.
