

Runs in the Family- August News

Toni is a new customer of mine in Cary who wanted to frame her 2 layer mono print, which in this case is a mono print in acrylic overlaid with pastel. Her inspiration was a fall scene in a photo she took during a trip to Big Canoe, Georgia. She has been taking art lessons but this is the first picture she has framed. On her wall she has many paintings by her mom who was also a wonderful artist. Now she can add one of her own! Keep painting, Toni!

"Have frames, will travel" is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
