

## Out of the Ordinary – August News

My out-of-the-ordinary customer/friends, the Blacks, love to find quaint and cool places to visit when they are on vacation. Near Jensen Beach, Florida, they happened upon an old, honky-tonk bar right on the water that serves fresh food. Old and with a very relaxed atmosphere, Conchy Joe's Seafood is all about the food. They picked up this painting of the place by local artist, B. Lapham, and brought it home to frame. We picked an out-of-the-ordinary frame to go with the awning in the picture. It now hangs at their Cary home as a friendly reminder of a fun vacation.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
