

## Time for a change – August News

Mrs. King is a lover of plants and art, so it is obvious why she loves this painting. Because it is painted on canvas, it does not need a mat or glass and the frame becomes even more important. Both frames enhance the picture but present very different styles. The dark frame was the first one on the picture and makes it feel traditional. The gold, basket weave frame replaced the dark one and makes it feel more whimsical. Both frames are good, but it was time for a change! Thank you, Mrs. King. It looks great

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
