

Tasteful ... in more ways than one! – December News

Raleigh resident, Po Slover, decided to frame her mom's handwritten recipe for a favorite family dish as a gift to her son for Christmas. She chose to use a raised blue upper mat to give the picture some depth and a darker blue for the background and a black frame. Very tastefully done! Thank you, Po, for inviting us into your kitchen! **Happy Holidays to you all!!**

“**Have frames, will travel**” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon.
