Framing that stands out

This canvas painting called “Reflecting Absence” by Michelle McElroy of Holly Springs was mounted on top of a linen mat so that it stands out from the frame and the painted sides can be seen. It creates a very dramatic effect.

“Have frames will travel” means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Fridays at Chambers Arts Gallery in Cary at Ashworths Village.

I wish you peace and happiness especially during this season. Happy Holidays!
