

Bring Home Your Vacation - February News

I have been all over the world through my customers' vacation pictures. Paintings, posters and photos are a great way to bring home your vacation to enjoy for years to come. This poster is of Hundertwasserhaus, an apartment block in Vienna with undulating floors and a roof covered with dirt and grass by the Austrian artist and architect, Friedensreich Hundertwasser. Po Slover of Raleigh decided to use a simple black frame so as not to compete with the colorful buildings and odd shapes.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. Call, email or visit me on Fridays at Chambers Arts Gallery in Cary at Ashworth's Village.
