

February News – I love my customers!

Thank you so much for being my customers and my friends over the years.
This month marks the beginning of my **33rd** year of framing!

Notice how this picture is framed with **three mats**. It needed the white outer mat to give it an expansive feeling, the second warm mat for coziness like the subject and to pick up the colors in the painting, and the inner white mat to keep it from feeling closed in. The frame echoes the tile of the roof. So you see you can use three mats without overwhelming the picture or making it feel too busy. The painting is "**Fraysinet**" by Lynda Chambers and is available at Chambers Arts gallery in downtown Cary.

"Have frames, will travel" means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Fridays at Chambers Arts gallery in Cary at Ashworths Village.
