

Updating – February News

When Jill and Gene moved into their new house, they decided it was time to update some of their picture frames. This beautiful canvas that Jill's mother painted got a whole new sophisticated look when framed in a more tailored silver/gold/walnut finished moulding. Thank you, Jill and Gene, for allowing me to share your artwork.

I wish we would get one good snow here this winter!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
