

## MANTLE DECORATION – January News

My friend, Julie, had me reframe her family portrait that hangs over her mantle because she wanted it to have more of a “presence.” We were able to use the same mat and glass, but changed the frame to a wider one with the same walnut color and more detail. Now the picture is the most important decoration over the mantle! Thank you, Julie, for being a good example.

“**HAVE FRAMES, WILL TRAVEL**” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
