

What was old is new again – January News

Happy New Year!

It seems right to show “before and after” framing jobs at the beginning of a new year, don’t you think? Nancy Tracy of Raleigh wanted to redo this picture that was her mother’s to blend more with her current décor.

The first one had a thin oak frame and a double mat where the inner mat had faded. The second one has a wider antique gold frame and a triple mat with colors that accent the palette of the print better. This new framing is a bit more formal and appropriate for Nancy’s current dining room. What is your “before and after” this year?

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at 919-553-5633 or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon. Please check out my website www.TheNatureOfArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
