

An Artist in the Family – January News

Hi. This is Susie and Raquel. They were lucky enough to have an artist in the family, **Guillermo Jaranillo**, who did many, many oil paintings on canvas of places where he lived in Colombia, South America. They have been busy framing his work, like this one done in 1989. Here they used a white linen liner under a dark wooden frame with an antiqued gold lip, which did an excellent job of accenting the black trees in the painting. Some of his paintings had to wait for framing so we stretched them on stretcher strips to hang until then. This will keep them from being damaged. Thanks, Susie and Raquel, for sharing your uncle/brother-in-law's beautiful art with us.

“Have frames, will travel” is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at **919-553-5633** or info@TheNatureOfArtFrameShop.com for an appointment. I am
