

## Look Closely – January News

Look closely at this artwork with your **2020** vision! Local artist “paints” with fabric! Can you believe how perfectly the fabrics fit the different building parts?! Margie and Larry from Raleigh picked a neutral mat and a smooth wooden frame so as not to compete with the busy images, and gave it to their son for Christmas. Thank you, Margie and Larry for sharing this with us.

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5633** or **info@TheNatureOfArtFrameShop.com** for an appointment. I am looking forward to seeing you soon.
