

## New Ideas in the New Year – January News

Welcome to 2021! For something new, I'd like to show you how Emma framed her diplomas with a bold red outer mat, a black accent inner mat (school colors) and a beautiful dark wood frame that looks like leather. These are important documents that now are also a work of art to hang in a home or office. Good luck and happy new life, Emma!

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at 919-553-5633 or [thenatureofartframeshop@gmail.com](mailto:thenatureofartframeshop@gmail.com) for an appointment. I am looking forward to seeing you soon.
