

Bold Overlay – July News

Holly Springs resident, Patricia Tector, wanted to do something unique with her family photos. She decided to have me do a bold overlay of smaller, individual pictures on the larger, entire family portrait. This involved quite a bit of careful placement and measuring to show all of the important people parts and balance the creation as a whole. It now resides over the mantelpiece where it is the star of the show. Thanks for sharing, Patricia.

“Have frames, will travel” is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919- 553-5633](tel:919-553-5633) or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon.
