## A Collection of Play Posters

My neighbor, Charlie, has had parts in a variety of Triangle plays and he has framed each production's poster to put on his bedroom wall. A simple black frame was the best choice for each of the varied color schemes in the posters. The same frame made the collection cohesive. What a great way to keep the memories.

**“Have frames, will travel”** means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Tuesdays and Fridays at Chambers Arts gallery in Cary at Ashworths Village.
