My husband, Joe and I made these birdhouses out of reclaimed wood, old tin, and decorative antique objects. The wood and tin were saved from an old house on the family farm that had been torn down. Each birdhouse is a one-of-a-kind as the source of all the materials is limited.

We have decided to have a **20% off sale** on our rustic birdhouses for the month of **July 2020**.

Here are the prices:

	Regular price	Sale price
Picture 1: A.	\$49	39
B.	89	71
C.	69	55
D.	59	47

All entry holes are sized for bluebirds and smaller birds and they can all be opened for cleaning.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your

choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5633** or thenatureofartframeshop@gmail.com for an appointment. I am looking forward to seeing you soon. Check out my website at www.thenatureofartframeshop.com for framing ideas, rustic birdhouses, cottages and cards along with other offers and services.
