

## Traveling this summer? **July Newsletter**

If so, be sure to **bring home some local art** to savor the flavor of the place long after you have left. The picture on the top (below) is a canvas painting from Costa Rica that was brought home rolled in a pvc pipe for protection and later stretched on stretcher bars and framed. The bottom picture is a fabric mola from Panama that is stitched on top of a mat and framed with glass. These two make the room feel like a tropical paradise and bring back great memories.

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. Call or email me to set up an appointment at your house, or visit me on Tuesday afternoons (between 3:00 and 7:00) at Manifestationz Gallery in Cary at Old Cary Commons.
