

## Outstanding! – July News

Kaya made this self portrait collage for her granddad's birthday last year. He wanted to really show it off in a frame, so we lifted the picture off of the back mat quite a bit and then used a raised double mat to hold the glass away from the artwork. A textured frame echoes the texture in the collage. Isn't she beautiful? Thanks to Margie and Larry Reiter of Raleigh for allowing me to show their framing.

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or [info@TheNatureOfArtFrameShop.com](mailto:info@TheNatureOfArtFrameShop.com) for an appointment.
