

Diploma Framing Discount – June News

Congratulations to all of the graduates! I would like to offer you a **20% discount** for custom framing your diploma. Just mention this email. (Offer not to be combined with any other offers.) Here is an example of a diploma I framed which includes the tassel. Framing for these documents can be very versatile using neutral mats as shown here or including the school colors in the main mat or the under mat. The frame can be black, gold, silver or wood toned.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. Call [919-553-5633](tel:919-553-5633) or email me at info@TheNatureOfArtFrameShop.com to set up an appointment at your house... or visit me on Thursday afternoons from 3:00 to 7:00 at **Manifestationz Gallery** in downtown Cary at Old Cary Commons, 201 West Chatham Street.

Have an adventure! Allow me to be your guide in designing your home or yard with the help of your location angels. A location angel cares for a place just as a guardian angel cares for person. I use divining rods to interpret the advice of the angel in creating the look and feeling that you want. I have been doing this for 25 years and it is always helpful, fun, and surprising.

Thank you for being my customers and my friends. Please let me know if I can help you in any way.
