

Beach-y Frame - June News

One of my customers framed a lighthouse print for her son in a brand new, distressed, white-ish moulding which is the perfect complement for the picture's beach setting. The blue inner mat accents the lighthouse stripes and water color and makes the whole picture pop. Thank you, Mackie of Cary, for allowing me to spotlight your picture.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or info@TheNatureOfArtFrameShop.com for an appointment.

I am looking forward to seeing you soon. Please check out my website – www.TheNatureOfArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
