

## The Cottage Look – March News

Suzie Bell of Cary brought back treasures from her trips abroad that she wanted to frame. This hand painted etching has a wonderful cottage feel that we wanted to enhance and when we tried different mats with it, we discovered that a darker mat made it feel more cozy. The rusty inner mat picked up on the roof details in the picture and tied it in with the colors in her room. Wow, what a difference the mat color makes! Thanks for sharing, Suzie.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
