

True Blue -- March News

Sandra is a long-time customer of mine in Apex and she had this smock framed for her mother-in-law, Sue, when she moved into a new abode. It is really meaningful to Sue because she was given these pins for her service in volunteering at the hospital where she lived in Charlotte, NC and in Wilmington, DE. We used a raised top mat to leave space between the pins and the glass. Blue is Sue's favorite color so we decided to include that color with the mat. Thank you for your service, Sue.

Have frames, will travel is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
