

Still Sweater Weather – March News

Mary Jo Swain commissioned this shadow box for her granddaughter's sweater and hat knitted by a family friend, Yolanda Saucedo. She included a window cut-out in the mat to preserve her friend's name and the date. We used an off-white mat and shabby chic frame to enhance the soft color of the clothing. You may remember Mary Jo's shadow box of the two sets of baby booties in an earlier newsletter. It is a great way to preserve and enjoy such beautiful things. We still have more of her framing examples to come! Thank you, Mary Jo!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
