

## May News...Graduation

Graduation is right around the corner for high school and college seniors. A great gift is to frame their diploma, and also shows how important this accomplishment is. Many people display their framed diplomas in their office when they start their careers. This is just one of many framing styles that are available for diplomas. I would be happy to show you more! **Print and save this newsletter for a 20% discount on framing diplomas.** This offer is good through **June 2012.**

**“Have frames, will travel”** means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Tuesdays and Fridays at Chambers Arts gallery in downtown Cary at Ashworths Village.
