

Brighten up your Corner of the World – May News

COTTAGES

for

outdoors or indoors

☀️ to brighten up your corner of the world ☀️

Over the winter my husband and I went to work on a new craft idea for the garden.....brightly colored cottages. These are cut from treated wood and painted with outdoor paint.

Just insert the metal rod in the bottom and they are ready to place in your garden to add some color to a drab spot, brighten up pots in the winter, or as a lively addition to your plants.

You can also leave off the rod and place them in a bookcase or on a table top inside to add some interest, or just for fun.

We hope they brighten up your day and lift your spirits! Here are a few more cottages:

All of the cottages, their sizes and prices are on the website, thenatureofartframeshop.com .

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up

for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or thenatureofartframeshop@gmail.com for an appointment. I am looking forward to seeing you soon.
