

## **She framed it because it is special**

### **– November News**

My new Cary customer, Josie, decided to frame this puzzle of an NC State football game because it is special. It's special because...

- her daughter, who goes to State, gave it to her
- her husband also went to State
- she and her husband were actually in the stands for this game!!
- it is the perfect size to hang on a long, narrow wall in the rec room

Do you have something special you would like to frame? I would be happy to help you with it. Thank you, Josie, for sharing this with us.

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for 41 years.
