

# Sunflower Puzzle Solution -- November News

In my October newsletter I was looking for a solution to the problem of these three pictures which were different sizes and had different frames but needed to be hung together.

The owner of the paintings, Wendy, and I came up with the burl wood frame style below which is both **elegant** enough for a dining room and **earthy** enough for the sunflower subject of the paintings. This style comes in two widths... perfect for the two different painting sizes. Wendy hung her paintings in this pleasing arrangement and was kind enough to send me this picture of them.

**“Have frames, will travel”** is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at 919-553-5633 or [info@TheNatureOfArtFrameShop.com](mailto:info@TheNatureOfArtFrameShop.com) for an appointment.

I am looking forward to seeing you soon. Please check out my website [www.TheNatureofArtFrameShop.com](http://www.TheNatureofArtFrameShop.com) for framing ideas, plant spirit cards and prayer flags along with other offers and services.
