

Rescued from a Yard Sale – October News

Joanne King from Clayton found these colorful floral pictures in some **pretty scary** silver frames at a yard sale. She rescued them and had me frame them in these garden room frames which made them look even more vibrant. They pick up the colors without competing with the images.

Joanna is a master gardener and loves her flowers. Thank you, Joanna, for sharing these with us. Let's all go to a yard sale!

"Have frames, will travel" is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is

done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.

Please contact Judie at **919-553-5653** or **info@TheNatureOfArtFrameShop.com** for an appointment. I am looking forward to seeing you soon. Please check out my website at www.TheNatureofArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
