

Shadow Boxing Time – October News

With a shadow box, the mat is dropped back in a deep frame to allow space for three-D items to be mounted. One of my favorite customers in Holly Springs was kind enough to ask me to a very special one for him. Here is what he had to say about it:

The reason for this shadow box is to memorialize my experience as a delegate to a presidential convention. It was exciting to visit the many state and territory delegations and exchange stories, pins, buttons and other memorabilia that would become the items for a shadow box. A great job by The Nature of Art.--- Vinnie DeBenedetto. Thanks, Vinnie!

If you would like to have something framed for the **holidays**, let's get started on it right away as it is always such a busy time for everyone.

“**Have frames, will travel**” is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at 919-553-5633 or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon.
