

Sky Portrait – October News

A customer friend of mine asked me to help her to frame a watercolor she had painted. When we looked at mats that matched the colors in the painting, they detracted from the little dog. So, we chose neutral mats and a warm wood frame which worked much better.

My customer, the artist, had this to say:

“My cousin in Ohio has a beloved dog named Skylar, most often called Sky. Sky is his companion in a time of health issues and his family’s changing situations. Sky is so adorable. I’ve wanted to paint her. Recently she was sick and my cousin was naturally upset. That gave me the push to finish the picture and get it framed. Sky is better now and I hope this painting is a pleasant surprise to my dear cousin.” Then later she said, “My cousin and his wife loved the painting. He said I caught Sky’s expression. That made it all worth-while.”

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It

is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
