## Is framing a scary thing for you?

Well, I can help you with any of your **questions**, show you examples in your **price range** and advise you of what is **best to use**. This knowledge comes **from** my 31 years of experience.

Lee Johnson of Cary, framed the words to a song he recorded with the pick and guitar strings he used to do it. A raised mat was used to accommodate the depth of the strings.

**"Have frames, will travel"** means I will visit you for a free framing consultation and free delivery when your framing is done. Call, email...or visit me on Fridays at Chambers Arts Gallery in Cary at Ashworths Village.

**The Holidays are not far away.** Let's get started on your framing gifts early!
