

Vacation Memories – September News

Our summer vacations are over, but now is the time to preserve those vacation memories before they get lost in a drawer somewhere. The Blacks in Cary framed these four coasters (that fit together) of their favorite beer to hang in their kitchen. It reminds them of good times had drinking Shiner beer at outside summer concerts and road trips to the local lake when they lived in Texas.

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your framing is done. Call me at 919-553-5633 or email me at info@TheNatureOfArtFrameShop.com to set up an appointment at your home or business....or visit me on Thursday afternoons from 3:00 to 7:00 at Manifestationz Gallery in downtown Cary at Olde Cary Commons, 201 West Chatham Street, Suite 100.

Have an adventure! Allow me to be your guide in designing your home or yard with the help of divining rods and your location angels. A location angel cares for a place just as a guardian angel cares for a person. I use divining rods to interpret the advice of the angel in creating the look and feeling that you want. I have been

doing this for 25 years and it is always helpful, fun, and surprising. I call it Designing by Divining. Check out divining stories on my website www.TheNatureOfArtFrameShop.com.

Thank you for being my customers and my friends. Please let me know if I can help you in any way.
