

Time — September News

Jean Mitchell is a dear person and a customer of mine that lives in Cary and collects antiques. She wanted to frame this *timeless* needlework in a moulding that kept its antique look, so we chose this coppery finish with a gray wash that made the frame appear to be tarnished copper. Using moulding from our current *time*, we were able to make a frame that was a perfect fit for this non-standard sized treasure in size and in character. Thank you, Jean!

“Have frames, will travel” is my slogan and it means I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office or another location of your choosing. It is very

helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. Please contact Judie at [919-553-5633](tel:919-553-5633) or info@TheNatureOfArtFrameShop.com for an appointment. I am looking forward to seeing you soon.

Please check out my website, www.TheNatureOfArtFrameShop.com for framing ideas, plant spirit cards and prayer flags along with other offers and services.
