

Curly Girl -- September News

"Last fall I took a two day oil painting class when I was staying at our home on Bald Head Island for a couple of weeks. This painting is from a photo I had taken of my granddaughter, Zoey, when she was about 2 years old. The teacher was Chappy Valente. He helped me quite a bit with this painting and then finished it for me after the class. "-- Barbara

Barbara picked this frame with a "curly" gold trim design to enhance the curls and the golden highlights in Zoey's hair. It's a curly-girly frame! Thank you, Barbara for sharing this.

"Have frames, will travel" is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison.
