

Frames and Interior Design -- September News

Amy Brothers Interior Designs is one of my customers. Here is what she had to say about this canvas framing project:

“Judy gave me frame selections after carefully listening to my requests. The frame needed to be substantial but not overwhelm the original artwork. I wanted something that was in keeping with the overall feel of the room. I kept in mind not only the art, but the fabrics and furniture in the space when choosing the frame. The final selection really enhances the colors in the artwork and looks fabulous in my client’s home.”

Thank you, Amy. It looks like a great success!

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
