

Father's Day Birdhouses – May News

My husband, Joe and I made these birdhouses out of reclaimed wood, old tin, and decorative antique objects., The wood and tin were saved from an old house and chicken coup on the family farm that had been torn down, Each birdhouse is one-of-a-kind as the source of all the materials is limited.

All entry holes are sized for bluebirds and smaller birds. All houses open for cleaning. Please call or email for exact sizes.

Towers \$85

Slants \$49

Chalets \$75

Cottages \$59

“Have frames, will travel” is my slogan and it means that I will visit you for a free framing consultation and free delivery when your frame work is done. I am happy to come to your house, your office, or another location of your choosing. It is very helpful to select framing materials in the area where the picture will be hanging since it is easy to hold samples up for comparison. You can trust me with your pictures because I have been framing for over 40 years.
